

Great Portrait Photography

We provide traditional portraiture as well as lifestyle portraits. With both styles it is all about making you look great. A portrait package should capture the subject with a variety of images to reflect the subject's interests and personality.

We creating books or collections we want to feature what is special about each person and group. Hobbies, pets, musical instruments and favorite activities are often featured. Family groups and sub-groups are photographed to show how each relates.

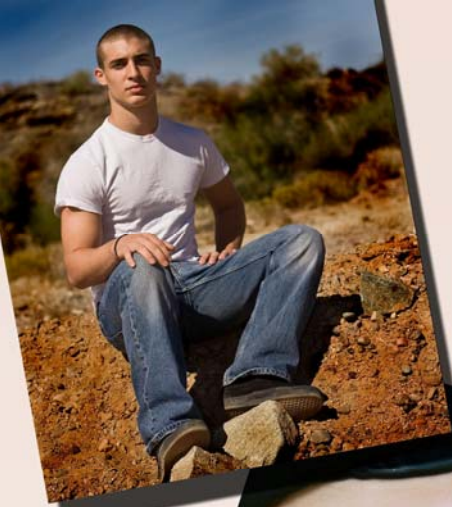

Retouching is included in all our packages to enhance the photographs and make sure the portrait looks amazing.

All portrait packages also include web-ready digital files of each the photographs you select in your package. Perfect for Facebook, iPhones and e-mail.

Packages range from \$300 to \$2500, with something to fit every lifestyle. As you read through the options on the following pages feel free to call with any questions you might have.
